Just a 5min walk down for us is Giordano Pizzeria (add info) which is on the cross island road that takes you to the south side of Samoa where many beaches and resorts are located.

### **About Lynn's Getaway Hotel;**

Lynn's Getaway Hotel began in 2007 and is run and operated by Lynn Netzler, long time businesswoman in Samoa. Her career started as a flight attendant for Polynesian Airlines before opening a small canteen store which has now grown to Lynn's Supermarket.

Now with the increased demand in accommodation and since the great Tsunami of 2010; Lynn has converted the family home into a home style bed and breakfast hotel. Ideal for the quiet professional or mature couple and small family.

### **Breakfast;**

A full breakfast is served from 6:30am to 10:30am. If you have any dietary needs or requests don't hesitate to ask our friendly staff. You can choose to have poached eggs on toasted wholemeal bread with fresh coconut flesh and papaya or if you're really on holiday; go all out with pancakes Samoan or European with cinnamon rolls, scrambled eggs and bacon and sausages. The menu is open, all you need to do is ask :)

### **Lunch and Dinner;**

Further up the cross island road is the Robert Louis Stevenson Museum and Tomb. A great hike with worthwhile views at the top, that has a short but steep 30min track and a more casual but longer trail of 45mins. Each will help burn up any excess calories from that long flight and in-flight meal.
